Transformative. Funny. Authentic. Unforgettable.

Jim "O" Oberhofer is a man's man with a universal message about the power of love – especially in the face of a terminal illness. His life turns the modern definition of happiness upside down, leaving audiences changed from that day forward.

As a husband, father, crew chief of the Mac Tools Top Fuel dragster, and Vice President of Operations for Kalitta Motorsports, author Jim Oberhofer shares with audiences the life lessons that have transformed his life both on and off the track: what it means to be a man, what it takes to be a champion and leader in the workplace, and how to embrace happiness first and foremost in the everyday race called life. Author of the hugely popular *Top Fuel for Life*, he gets right to the point: Make it happen.
